✓ I visited the center on Feb 11, 2019. I am impressed with the traditional & professional service I got. Mr. Raju was exceptionally skilled and the spa was very refreshing. I recommended every one to try it. I also decided to come again for full 7 day package.

Both my wife and I were here at this institution for 14 days from February 19th, 2019. We came with problems due to old-age and other physical difficulties. The treatments were exceptional. We feel it was a good selection to be here for the treatment. We really appreciate the professional and very friendly approach of all the staff here, especially the main person of this institution, Dr. Shibu Varghese. We not only want to appreciate, but thank each and everyone of the staff here. Dr. S.S. Anjith, Mrs. Sindhu Anil Kumar, Mr. Raju, Mr. Byju, Mrs. Sucha, Mrs. Nisha and Mrs. Sumi all deserve our gratitude. Also Remya helped us with all PT procedures.

This new building and facilities are very clean and pleasing. We feel the accommodation and the food were also good. Being a new building, we made some cosmetic ~~suggestions~~ improvements as suggestions.

Wish this facility all the improvement and growth. Expecting to be here again

✓ I was admitted on 20th Feb
till 14th March: @ Kalarickal
ayurveda hospital.

The ambience ~~was~~ and furnishing
of the room was good.
It was well kept and clean.
Kudcos to Geena who washes
and mops the individual
cubicle without fail. She
always comes in with a
smile and that keeps our
start of day refreshing.

Excellent Sunshine service by
Mrs Sudhu who always revealed
every individual patient needs
and ensured that we got
our best and our stay was
comfortable.

VERY IMPORTANTLY - My
therapist I ~~have~~ ^{met} Sudha
and Mrs Surani I wish to
mention was excellent with the
therapy/massage. With^{out} their
expertise I would not have
recovered by the 5th day which
was beyond my expectations.

The initial stage - the rub was painful due to black eyes and no flow. (BTW I had frozen shoulders)

On the 4th day itself, I saw the changes. Felt as though, I went through 'Divine Healing'. Dr Shiber was an excellent doctor who ensured the patients as in overall got their best under his wings.

Congratulations in your expertise in hiring excellent staff.

Dr Anjith - was very ^{Caring} ~~Care~~ and calm. Every morning on time to serve my gooseberry juice. Rayu, Nisha was also good working staff.

Rayu was the most "noisy and always made the whole hosp alive"
