I stayed at Kalarickal Ayurvedic Hospital from February 2 to February 11, and my experience was excellent. The staff was incredibly kind and sweet, always attentive and caring which made my stay very comfortable. The treatments were well administered and the hospital environment was clean, peaceful and ideal for relaxation. The food was also good but I feel there is room for slight improvement to make it even better. My Backpain relieved significantly during my stay.

Overall, I am very satisfied with my stay and would highly recommend Kalarickal Ayurvedic Hospital to anyone seeking authentic Ayurvedic treatment.

Thank you for the wonderful care.
